Your National Awning Supplier

Canvas Back Awnings is the proud sponsor of ...

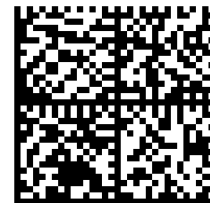

Protect Your Investment
With the **all** Program...

Awning maintenance and cleanings should be done yearly

The **all** (Awning Life Label) is a coded label attached to the nearest window or on any awning to be scanned with your Smart Device.

all information about that awning is displayed on your devices' screen such as:

- Awning install dates
- frame design info
- fabric colors
- warranty info
- updated inspections and repairs
- cleaning/re-coating, maintenance alerts
- frame sizes
- and more...

These are just a few of the ways the **all** can save you hundreds if not thousands of \$\$\$\$ to increase the longevity of your awnings.
