

# Awning Graphics: a good business strategy

Heard the term, "A business with no sign is a sign of no business"?

**The worst phrase you ever want to hear from a customer is, "I've been passing this place for years, and I never noticed it."**

Awnings provide shade & shelter, but if you can use the space for a sign, why not? A fixed advertisement to catch the attention of a potential client saves you \$\$\$ in the long run. As business owners, squeezing every cent is a must! You will get more bang for your buck investing in an awning sign.

Canvas Back Awnings only uses only the best graphic material for vinyl fabric, and the highest quality canvas awning paints for a long lasting bond to your awnings.

Just send us a photo of the area you would like an awning, and we will send you a free quote!
